

BARNYARD PROGRAM

Critter Barn offers a variety of opportunities for people of all ages and diverse-abilities to provide a unique experience for everyone.

BARNYARD Crew Member: Chores

Work one-on-one with our job coach as you learn how to feed the animals. Activities of caring for animals provide motivational, educational, recreational, and/or therapeutic benefits to our crew members and enhance their quality of life.

BARNYARD Animal Therapy

Spend individual time with our furry and feathered friends. This is a goal-directed activity designed to benefit the specific needs of each person being served. One-on-one interaction with animals gives people of all ages the opportunity to experience affection and acceptance.

BARNYARD Group Volunteers

Bring your small group and get involved with tasks and jobs that build skills for life. Groups visit the Critter Barn each week and learn the routines of running the farm.

Imagine a farm where all the barns are connected by a paved sidewalk, that not only takes you to the barns, but through the barns so all the animals are accessible to everyone!

BARNYARD Guest Program: Animal Encounters

Schedule a personalized visit for your group hosted by a Barnyard Staff member and meet many of our friendly animals and birds in the comfort of our new, heated classroom.

- 1 to 2 hours
- Hands-on interaction
- Up to 12 persons
- Small birds & livestock
- Entertaining
- Storytelling

BARNYARD Tour Program

Enjoy a guided tour as you journey through the multiple barns at our new location. Your attendees will have access to all our farm animals on our "golden mile" sidewalk. This is a 1 ½ hour guided tour. Rifton Activity chairs and Rifton Tricycles are available for your use.

BARNYARD Travel Program

We'll come to your location for one hour of enjoyment and personal interaction with our star rabbits and birds. Our traveling Animal Therapy program is for small groups of people or a few individuals at your facility who would benefit from focused activity.

Critters on Wheels

Critters on Wheels provides hands-on fun, entertainment, and education. If your event is focused on learning about mammals vs. egg layers, or if your guests simply want to hold, pet, and interact with the animals and birds, this display will serve up to 150 people.
